James Wilcox sold his farm on Dix river near here at \$47.50 per acre to J. H. Weaver and bought the Franklin Owsley farm of 85 acres on the Stanford and Lancaster pike at \$38. All dislike to give Mr. Wilcox up, but we are glad to say we are getting a good man in his place.

Mrs. Nancy Nunnally sued Willis G. Nunnally, her brother-in-law, for \$10,000, alleging slander. The case was tried in the Pulaski circuit court and a jury gave the plaintiff one cent and costs.

## Doesn't Respect Old Age.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe, and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation, all yield to this perfect pill. See at Penny's drug store.

## For Sale Privately.

My house and 10 acres of land situated just outside of town limits on the Somerset pike. House has 7 rooms, kitchen and servant's room, good cellar, stable and all necessary outbuildings. Water hydrant in the yard and one for stock.

## BUGGIES AT COST FOR CASH!

D. S. CARPENTER, Hustonville, Ky.

## EVERYBODY IS NOT A TAILOR!

Having been in the Tailoring business all my life I feel confident in saying I represent one of the best tailoring firms in the country. With my experience in taking measures, and directions I give, your clothes are bound to be satisfactory as my many patrons in this line will bear me out. My prices are the same as inexperienced men who are in the business. I also have a nice line of fancy chevrot and other suitings I will cut and make if you desire at a moderate price. Thanking you for past favors, I am, yours,

H. C. RUPLEY, the Tailor.

## HIGHLAND.

Water is almost as scarce as money. Wm. Long got one of his feet considerably mangled while hauling logs.

Mr. J. C. Elder, who came from Illinois a few days ago and bought the Bryant place from T. W. Hutchison, is with his brother-in-law, N. L. Wright.

Coffey's saw mill has not run for some time on account of having no water. He keeps hauling logs with the hope that it will rain some time this fall.

Eliza Goodpaster and Miss Erma Young were married on the 31st by Rev. J. M. Cook at the home of the bride's mother. They left yesterday for Mr. Goodpaster's home near Nicholasville.

Tim Hutchison has moved to the Bryant place and J. M. Adkins has moved to the Hutchison place. Messrs. James and Montgomery, of Mercer, and Mr. Conn, of Garrard, have moved in and taken possession of their places recently bought here. Ben Baugh will move to the H. P. Young place this week.

H. P. Young, one of our oldest citizens, died on the 25th, after an illness of two years of consumption, the last 14 months of which he was confined to his room from the effects of a dislocated hip. During his long illness he was never heard to murmur nor complain, but bore his sufferings patiently to the last. His remains were laid to rest in the burial ground at the Methodist church after funeral services conducted by the pastor, Rev. G. H. Cannon, assisted by Revs. J. M. Cook, John Godbey and George F. Thompson, of the Methodist church, and Elders J. M. Long, Carr and Jones, of the Christian church, who also acted as pall bearers. H. B. Newell, of Ansel, Rev. George F. Thompson and wife, of Eubanks, Rev. John Godbey and wife, of Bethel Ridge, Mr. and Mrs. J. W. Long, of Gilberts Creek, C. M. Jones, of Maywood, and R. R. Ragan, of Preachersville, were present at the burial.

## MATRIMONIAL.

L. J. Vanhook and Miss Bessie Baugh, both of the Highland section, were made one on the 2d.

Richard Murphy, aged 18, and Miss Lou Hutchison, 21, were married at Thomas Carter's Wednesday.

The marriage of Miss Lida Arnold and Ben King was very quietly celebrated at the bride's residence. Wednesday afternoon at 2 o'clock, Elder E. M. Tindler officiating.

Thomas H. Collins and Miss Annie Neale Bennett, both of Richmond, surprised their friends by being quietly married. Rev. J. W. Crates, of the Methodist church, officiated.

Mr. R. L. Myers and Miss Bertha Dishon, both of Moreland, drove to Stanford Tuesday afternoon and were joined in wedlock's holy bonds by Rev. P. J. Ross at the Methodist parsonage.

The Shadyside Presbyterian church, of Pittsburg, one of the wealthiest churches in that city, has called Dr. J. Kinsey Smith, of the Fourth Avenue Presbyterian church, Louisville, to the pastorate.

Nathan McCamie and Miss Leona Youm, of Duganville, Mercer county, left home ostensibly to go out for a drive, and wound up by going to the residence of Rev. Mr. Johnson and getting married.

At the home of Mr. and Mrs. A. A. Barnes, in Knoxville, John W. Bates and Miss Little E. Miller, two well known young people of Somerset, were united in marriage by Rev. J. M. Richmond, pastor of the Fourth Presbyterian church.

## Only Makes a Bad Matter Worse.

Perhaps you have never thought of it, but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effects and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of medicine. Try a 25 cent bottle of them. For sale by all druggists.

A traveler from the East shortly after leaving Kansas City, asked the porter how long it would be before the train emerged from the tunnel through which it was then passing. "Dis ain't no tunnel, sah," replied the porter. "We's jes' passin' fru de Kansas corn belt and de tall stalks shute out de sun. You won't see no mo' daylight foh 200 miles."

SHORTHAND AND BOOK-KEEPING.—Taught thoroughly by mail. Teachers can increase their earning capacity by taking a course. For information write J. W. Davis, 427 Madison Avenue, Covington, Ky.

Jesse R. Grant, youngest son of Gen. U. S. Grant, has declared for Judge Parker for president.

## NEWS NOTES.

John Barling, a 14-year-old boy, was killed by a stray Halloween shot at Westfield, N. J.

Wilson Newman, a saw mill man, was caught in a belt at Midland City, and fatally mangled.

Attempts were made by incendiaries to destroy the Palace of Justice and the Palace of State in Milan, Italy.

W. A. Cannon, one of Lexington's best known merchants, died suddenly and unexpectedly of indigestion.

In response to demands by insurance companies, better fire service will be at once established at Mt. Sterling.

Within 15 hours four men were killed and a fifth mortally wounded in personal altercations in the Birmingham, Ala., district.

Five thousand coal miners have been thrown into idleness by the strike of bolting engineers in the Spring Valley coal fields of Illinois.

Fitting services in memory of the late Capt. Ed Porter Thompson were held at Frackfort in the hall of the House of Representatives.

Two persons who partook of pudding in a New York theatrical boarding house are dying from poison it contained. It is believed a wholesale poison was attempted.

William T. Richards, while tearing down an old chimney of a log house that was over 100 years old, on Quick's Run, Mason county, found a small tin box containing \$515 in gold.

Ten miners were being lowered into a shaft at Nanticoke, Pa., when the cage became unmanageable and dropped to the bottom, a distance of 700 feet. All the men were either crushed to death or drowned.

The court of appeals ruled that the State cannot recover on the bond of ex-Auditor Sweeney for money paid by him to the "Taylor militia." His action, it is held, was irregular, but in no wise prejudicial to the State.

One man was killed and 40 persons were injured by the explosion of a box of dynamite at Mt. Vernon, N. Y. The property loss is estimated at \$100,000. The dynamite was lying under a bridge where it was being used for blasting purposes.

Mrs. Susie Cox and Mrs. Sarah Shaw are dead through the mistake of Miss Fook, a nurse at the city hospital, in Indianapolis. The women were recovering from typhoid fever and the physician had instructed sterilized water to be administered them, but unsterilized water was used.

A reservoir of the municipal waterworks plant at Winston-Salem, N. C., gave away, causing the loss of nine lives and the injury of several persons. Four tenement houses were washed several hundred yards by the torrent of water. Officials are investigating the cause of the accident.

Four bandits rode into Cody, Wyo., killed the cashier of a bank who refused their demand for money, and fled toward the famous Hole in the Wall with a big posse in pursuit. Buffalo Bill and a party of his scouts now on the way from Omaha in a special car will join in the chase of the outlaws when they arrive at Cody.

James H. Hendrix, a young man prominent in social and military circles in Montgomery, Ala., was killed on top of a bank building by a live electric light wire which he was trying to cut. A stick of dynamite and a set of burglar's tools which were found by his side indicate that he was endeavoring to gain access to the bank's safe for the purpose of robbing it.

Despite the fact that the census reports show that the Americans are steadily drifting toward vegetarianism, we are still the greatest meat eaters in the world. Our meat still costs us every year \$100,000,000 more than our vegetables, including imported vegetable foods. In the aggregate we Americans pay every year about \$2,250,000,000 for food, or about \$30 a year (for the raw food) for each person.

In addition to the foregoing it may interest you to know that among the meat foods the egg bill (\$143,300,000) is greater than that for any other item except cattle (\$432,000,000) and sheep (\$170,000,000), and that the bill for milk, butter and cheese (\$122,000,000), is nearly four times as large as that for fish, oysters and all other sea foods.—Pearson's Magazine.

## Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured and hopeless resignation is no longer necessary. Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by Penny, druggist. Price 50c and \$1. Trial bottles free.

## LANCASTER.

The lake contains plenty of water, but Manager Beasley is very careful with it.

Farmers in some parts of the county are hauling drinking and stock water four and five miles.

The railroad company has had a water plug placed in the stock pens, which is of inestimable value to shippers.

Much work is being done on the Rowland branch of the K. C. and we have good prospects of a better road bed.

Senator Geo. Farris, one of the best posted men on the road, predicts a landslide for democracy not only in Kentucky, but throughout the nation.

A number of Lancaster Old Fellows went to Palot Lick Saturday night to do some work, and report a most cordial reception and enjoyable time.

The local political net is beginning to sing a little, but not much steam is rising. The democrats are wide awake but if the republicans are doing anything it is on a still hunt.

Local fishermen have been bringing in some nice strings. The river is lower than older citizens have ever seen it, but there are some deep holes in it which will last for some time.

The democratic county committee passed suitable and appropriate resolutions in regard to the resignation of Judge M. D. Hughes as its secretary. Judge Hughes is a "wheel horse" in the party.

Mr. Miles, the republican candidate for Congress, made a Dr. Hunter visit to Lancaster last week. That is he "tipped" in and "tipped" out with that gum shoe, cat-like tread for which the 11th district sage is so well known.

Cattle are being sold at most any old price. Farmers have no water and they are forced to sell for what they can get. Quite a number of hogs are being shipped to Cincinnati. While the farmers would much rather wait awhile, yet the drought is forcing them to sell and ship now.

While "Mike" Elkin and "Took" Hubble are Lincoln county men, yet they have been in Garrard so much and are so extensively connected here that our people look upon them as home-folks. It will be a "hoss and hose" race between these two gentlemen in Garrard.

Rumor has it that both parties are ignoring the Battle Row floaters in the coming campaign. This is a good move. Now, if the people of Lancaster will refuse to contribute the usual amount of food and clothing this winter, these trifling men will have to go to work. Battle Row is a disgrace to civilization.

## CHURCH MATTERS.

Rev. J. W. Hagin will preach at Walton's Opera House Sunday morning.

Elder J. G. Livingston will preach at Halls Gap church Sunday morning at 11 o'clock, instead of the second Sunday.

The meeting at Harmons Lick closed Sunday with 25 additions. The preaching was done by Rev. Tye, of Williamsburg.

Elder J. G. Livingston preached the funerals of Miss Nevil Carson and Wm Reynolds at one time in the Christian church at Brodhead.

There have been 17 professions as the result of Rev. O. M. Huey's preaching at the Baptist church. The meeting will continue over Sunday.

The choice of a Bishop to succeed the late Bishop T. U. Dudley probably rests between the Rev. Dr. W. T. Maunlog, of New York, and the Rev. Dr. Frank DuMoulin, of Chicago.

As a result of a meeting held at Freedom church, Rockcastle county, Rev. Thomas Smith baptized 29 converts Wednesday. The scarcity of water made it necessary to build a dam below two springs, and it took several days for the pool to fill up sufficiently to be used for baptismal purposes.

## Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad of your Electric Bitters and determined to try that. After taking a few doses I felt relieved and soon thereafter was entirely cured and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and general debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at Penny's drug store.

Why is it that some business men will howl about the beef trust, the oil trust, the steel trust and all other trusts except the most gigantic—the whiskey trust? But will walk into a barroom and without a grunt plank down the price of a pound of trust beef for a gulp of poison that costs the saloon keeper three cents. Truly this is a funny world. A. W. C.

Chamberlain's Stomach and Liver Tablets are becoming a favorite for stomach troubles and constipation. For sale by all druggists.
